

HOSA FUNDRAISER (Replace with your school/team/club name)
With RIGHT RESPONSE FIRST AID KITS
Be Prepared...everyone needs First-aid

This is going to be our main fundraiser of the year and we need EVERYONE to get involved!

Here is what you need to know:

- We are selling the Right Response First Aid kits this year. They are priced from \$12 – \$120 so there is a kit for everyone. These make great holiday/business gifts. Great to have in sports bags, backpacks, cars, purses, etc.
- Every HOSA member is required to either participate in the fundraiser (\$100 minimum sales) or the buyout (\$125), or you can do both. (You decide what your minimum is going to be or if you do a buyout)
- Please make checks payable to (your school/club name). Money should be collected when the order is placed. There will be a bin in the teacher's classroom for completed order forms and money.
- All paperwork and money will be due no later than (put date here).
- The kits will be delivered in 10-14 days after the fundraiser ends and order is submitted.
- Online ordering is available at the following link: (if you are interested in online fundraising we will order a link for your group so you can add it here). We receive 30% from the online orders (versus 50% from orders taken in person) so please use this option just for out of town family or friends. The products are shipped directly to anyone using the online option.

What is the money used for?

The Booster Club pays for many things such as supplies for the instructors to use in the class, buses to events such as leadership seminars and Rocket Day, and expenses for all the students who compete in HOSA events at the Area, State and National. Please help so that all the students can participate in HOSA activities!

Are there any incentives?

Of course! We are going to have a "Cash Grab Bag" after the sales are finished. For every \$50 sold, you will get one entry into the grab bag. If you participate in the buyout, you will also get ONE entry. If your name is pulled, you can grab an envelope from the bag. Every envelope contains a cash amount from \$20 – \$100. Woohoo! (You decide what kind of incentive and add it here. The "Cash Grab Bag" has been very successful)
